Scout fund drive slated

The Appomatox Lions Club will conduct an annual fund raising drive to support the local Cub Scouts, Boy Scouts, and Explorer programs, and will kickoff the drive at their regular meeting tonight. (Thursday)

Drive chairman, Lloyd Walton, says the funds raised in Appomattox will go to support the three local scouting programs and the Boy Scouts of America.

Locally, scouting is serving Appomattox youth through the Cub Scouts, for boys ages 8-10, the Boy Scouts, for ages 11-18, and the Explorers, a coed program for young adults ages 14-21.

Lions Club members will be calling on area citizens, and businesses asking for tax deductible contributions to help keep our three scouting programs strong. Without the help and contributions of the community our local youth would not be able to experience the many great benefits available in scouting.

Trumbo to address class

Mr. Harold Trumbo, biologist with the Virginia Game Commisssion, will be the guest speaker for the Pamplin Adult Farmer Class on Thursday night, Feb. 28. The meeting will be held in the library of Pamplin Elementary School at 7:30 p.m.

Mr. Trumbo will speak concerning research which is presently being conducted in the area of wildlife management. Seasons, bag limits and other considerations in the regulation of sport hunting will also be discussed. Special attention will be focused upon wild turkey and deer management.

All farmers, hunters and other interested persons are invited to attend this informative meeting.
